

National Institute of Advanced Manufacturing Technology (NIAMT) (Formerly NIFFT) Ranchi -834003 Jharkhand

Five Days Hands-on Workshop On :

"CATIA, Simufact Welding and Forming Simulation" (CSWFS-2025)

06th- 10th Oct 2025

Jointly Organized by

Department of Mechanical Engineering, SIMCORE & SOLIZE
India Technologies Private Limited

About the Workshop Program:

"CSWFS-2025 aims to bridge the gap between theoretical concepts and industrial applications, helping students and professionals enhance their design, analysis, and manufacturing skills. The workshop highlights both current and futuristic research trends in manufacturing engineering.

Workshop Highlights

- Hands-on MSC Apex Training
- Focus on design which helps to provide concept and real time applications
- Practical exposure of CATIA, Welding & Forming Simulation for Manufacturing
- Certificate of participation after successful completion
